Yes. Thursday morning would be good, if we cannot do it asap today. I am off tomorrow for Yom Kippur.  
Michael

Let me contact the reporter.

Thanks

F

**Subject:** WMUK media inquiry for Allied

Hi Michael and Francisco –

Rebecca Thiele is a reporter with WMUK and would like to talk to someone to have them explain alternative 2D a little further and how it differs from the other type-2 alternatives and why EPA is making that recommendation. Also, Rebecca would like to include another reporter on the conversation since she will be out tomorrow. Sehvilla Mann – 269-387-5721
